APPLICATION

1. Pastor Jeff spoke about being interrupted by Bill while preparing for his sermon. When have you ever had an interruption that was joyous for you? Should you start considering some interruptions in your life as "God moments"?

2. As a parent, grandparent, uncle, aunt or single, how can you instruct the "children" in your life in the Lord? Name some of the practical things you can do.

3. What "gaming devises" are in your desk at work? Are you working for the eyes of your boss or unto the Lord? Practically, what does "working for the Lord" mean?

4. Are you a "jerk at work"? Pastor Jeff reminded us to "be who we are; take your cues from who we are - we are bondservants of Jesus Christ." Specifically, how does this play out in the place where you work?

5. Pastor Jeff stated at the beginning of his sermon, "How does my life in Christ impact the nitty gritty of my life?" How would you answer this question?
