

# MESSAGE APPLICATION GUIDE

## Pastor Jeff Bucknam

Acts 1:1-11

### ***OBSERVATION***

1. Who was the most instrumental in you coming to Jesus? How did they start a spiritual conversation with you?

---

---

---

### ***INTERPRETATION***

2. What is the problem with this statement: "Be careful how you live your life. You may be the only Bible some people will ever read"?

---

---

---

3. Let's assume, just for a moment, that Harvest Bible Chapel has been distracted somewhat from fulfilling the mission Jesus assigns us in Acts 1. How does that make you feel?

---

---

---

### ***APPLICATION***

4. What will you do tomorrow to increase your participation in the mission introduced to us in Acts 1? Share your thoughts with the group, and ask your group to hold you accountable to begin doing it.

---

---

---

5. Final thought and / or suggestion (not required but if there is something special to mention):  
In what way is it reassuring to you that it is God who will work in and through your witness to bring people to saving faith in Jesus?
